NOTICE TO SHIPBUILDERS AND OTHERS.

WITH reference to the war now in progress between Russia and Japan, the attention of Shipbuilders and others is called to the provisions of the Foreign Enlistment Act, 1870 (33 and 34 Vict., cap. 90), sections 8, 9 and 23, which indicate their duties and liabilities in the matter of building and equipping ships which are intended to, or may, be used in the military or naval service of the belligerents.

Section 8 provides that any person within His Majesty's Dominions who without Royal Licence builds, commissions, equips or despatches any ship with intent or knowledge or having reasonable cause

to believe that the same will be employed in the military or naval service of the belligerents, shall be liable to FINE and IMPRISONMENT and the FORFEITURE of the ship and equipment.

Any person building or equipping such a ship in pursuance of a contract made before the commencement of the war, shall not be liable to these penalties if—

In any case in which overtures are made for the purchase or equipment of such ships by persons who do not satisfactorily disclose the ultimate destination of the ships, it would be the duty of all persons having knowledge of the fact to give notice to the Home Secretary, in order that he might take the steps which he is empowered by the 23rd section of the said Act to take so as to ensure that such vessels should not be employed in contravention of the said Act.

work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committees charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If a copy of the Bill, Petition and notices shall not have been so deposited in the hands of the Clerk of the House at least eight days before the opening of the Session, and if the Petition has not been presented within the first ten days of the Session, the amount to be paid to the Clerk shall be six hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by rule 59, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By new Rule 65A, passed on the 2nd April, 1901 (*see Journals, 1901, page 58*), a model form of Railway Bill is adopted.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

DOMINION ORDERS IN COUNCIL.

(Ref. 460,207.)

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 23rd day of March, 1904.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL
IN COUNCIL.

WHEREAS under the Regulations for the disposal of coal lands, the property of the Dominion Government in Manitoba, the North-West Territories and British Columbia, established by Order in Council dated 19th May, 1902, provision is made for the sale of lands containing anthracite coal at an upset price of \$20.00 an acre, and for coal other than anthracite at an upset price of \$19.00 an acre, subject to the payment of royalty at the rate of ten cents per ton of 2,000 pounds on the output of the mine;

And whereas it is represented that settlers in the vicinity of coal mines have in the past been able to secure their supply of coal for fuel purposes at the rate of from \$1.00 to \$1.50 per ton, delivered at the pit's mouth; but that recently, where only a limited number of mines are being operated in any locality, there has been a tendency on the part of the mine owner to object to this class of trade, as loading the coal directly into cars is probably more convenient for him than disposing of it to the settler;

And whereas there appears to be no reason why the settlers should be required to pay an additional price for having the coal carried by rail to the nearest station if they can have the hauling done themselves,—

Therefore, the Governor-General in Council is pleased to order and doth hereby order that the Regulations for the disposal of coal lands above referred to be amended by providing that all sales of such lands shall in the future be made subject to the provision that actual settlers shall be entitled to buy, at the pit's mouth, whatever coal they may require for their own use, but not for barter or sale, at a price not to exceed \$1.75 per ton, and that the patent which may be issued for coal lands shall be made subject to such provision.

JOHN J. MCGEE,
Clerk of the Privy Council.
